

Artwork Submission

Are you an full time or part time artist? At Build Tshirt We love working with artists that have a passionate for T-shirts.

Build Tshirt has several in house artists, that will help you create the perfect T-shirt design. If you have an idea, we will help you create a unique T-shirt. So send us a file and lets get started. Below are our requirements.

1. Preferred Files- Best (We like em.)

Vector - .Ai (Adobe Illustrator), .Eps (Encapsulated PostScript) and sometime . **HI-Resolution Raster** - .PSD (Adobe Photoshop) files that include photographs or high resolution(300dpi) raster files. **AI**- Adobe Illustrator documents are acceptable.

2. Proof read: Spell Check your work!

3. Less Workable Files - More work. (may be subject to additional art charge)

Scans, tiffs, gifs, jpegs, bmps, and picts are considered raster files, or pixel format. Raster files are comprised of dots per inch (DPI). Blurred images becomes unusable artwork. A scanned **.EPS**- image that is imported and saved as an EPS is not a true EPS file. Artwork created in MICROSOFT WORD, MICROSOFT POWER POINT, MICROSOFT PUBLISHER, QUARK, or Internet downloads could require an Art Charge,

4. Art Charge- Any file that is must be redrawn. Any File that is low resolution. Any file that is unusable. You will be contacted and advised of art charge.

5. Design Programs

Adobe Illustrator- We accept Illustrator files as early as Version 10 and up to Version CS4 (preferably MAC format). Convert all fonts to outline (create outlines).

Adobe Photoshop- If you use layers - Group your vector objects together. Make sure your minimum resolution is 300dpi at 100% of actual print size..

full front print is usually around 11". Youth is 9", or XXL & XXXL. Max out at around 15".

6. Fonts: Convert your fonts to Outlines. If the requested font is not available. We will do our best to match or redraw. Redraw might require an art charge. No smaller than 12 point if you want to be able to read them on your shirt. Cool fonts are at www.dafont.com

7. Logos: Vector art logos are preferred. Submit artwork with your order.

8. Summarize: Provide a graphic on shirt representation. Location information. Give us an overview of how you want your shirt to look and how you have created your artwork.

9. Lines: The thinnest lines should not be less than 1.0 point.,

10. Colors: Submit artwork with 5 or less spot colors.

11. Inks: Work with pantone colors/spot colors for perfect color match and to eliminate potential errors. Use the uncoated version of pms color. Helpful link below:
